

# THE APOLLO

The Apollo with 12.5m frontage has been thoughtfully designed to suit today's modern lots. Modern open-plan living is a key feature of this stunning home. Upon entering, you'll be greeted by the large master bedroom with a walk-in robe and ensuite and further down the hallway you'll find the home theatre. There is an open-plan living, dining and kitchen space in the heart of the home. At the rear of the design is the minor bedroom wing and family bathroom.
