

THE MADRID

If you've got your list of 'must haves', The Madrid is the home that ticks all the boxes. Being the ultimate family home, The Madrid's stunning design evolves as your family grows, featuring ample bedrooms for the kids and a quiet study retreat. Mum and dad get it all with 'his & her' walk-in robes and a double basin ensuite to the generous master bedroom. Beyond that, the sheer size of the home allows for a walk-in linen, walk-in pantry and even a scullery. What more do you want in a home?
