

THE OSBORNE

With its clever and modern dual key design, The Osborne maximises every inch of space. The spacious layout incorporates five bedrooms and three bathrooms all within a 15m front wide lot. Combining practicality and privacy, the dual dwelling consists of a 3x2 front residence, mirrored with a functional 2x1 studio style space at the rear. The Osborne is intelligently designed, quality built and comes complete with private alfresco, porch and garage.
